DECLARATION UNDER SECTION 305(c) OF THE
NATIONAL AERONAUTICS AND SPACE ACT OF 1958

Assistant Commissioner for Patents
Washington, D.C. 20231

SIR:

We, CHARLES ROBERT GRANITZ and MARK EDEN ZENTGRAF, do hereby
declare:

That we are the inventors of the invention described and claimed in the above-referenced
U.S. Patent Application;

That the invention was made while we were employed by the General Electric
Company, the assignee of the subject invention, using facilities, equipment, materials, funds,
information and services furnished by the General Electric Company;

That the invention set forth in the above-referenced U.S. Patent Application was not
made (conceived or first actually reduced to practice) under nor is there any known relationship
of the making of the invention to the performance of any work under any contract of the
National Aeronautics and Space Administration;

That all statements made herein of our own knowledge are true and that all statements
made on information and belief are believed to be true and further that these statements were
made with the knowledge that willful false statements and the like so made are punishable by
fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code; and
that such willful false statements may jeopardize the validity of the application or any patent
issuing therein.
